Principals Report CWA Public Speaking

Congratulations to Olivia and Sophie Falconer, Jack Fox and Loukia Robson who competed in the CWA Public Speaking Competition last week. We were fortunate to have the opportunity to listen to three of the speeches last Monday afternoon. I felt very proud of the high quality speeches they had written and their commitment to presenting them to the audience with such confidence.

Reece Belmonte

Congratulations to Reece Belmonte who was selected and played in the Western AFL team at the State Carnival. He met and trained with his team on the first day and played a total of 6 games over the following 3 days. Well done Reece!

Biggest Morning Tea

Wow!! I could fill this newsletter three times over with pictures of the fantastic cupcakes that came to school last Wednesday for our Biggest Morning Tea. Thank you so much for not only helping your children create these wonderful cupcakes but for sending money to school and to those family members who were able to join us. It always gives me great pleasure to see so many of you who make the time to support our school events. We made a fantastic \$684 – what an amazing effort everyone! I'm sure it will go a long way to helping a young lad and his family!

Class Shield

This week, we encourage children to **arrive on time**. This can be done by:

- Listening to the bell and lining up quickly
- Returning to class quickly
- Arriving at school between 8:30 and 9am.

PRINCIPALS RECOGNITION

I would like to thank Mrs Scanes for her organisation of students to participate in the CWA Public Speaking Competition. The time she gave to this enabled 4 of our students to attend and further develop their public speaking skills and experience.

I also thank Mrs Hemming for her organisation of this year's Biggest Morning Tea and Mrs Urquhart for her support on the day. As usual, it was a great event which would not have been possible without Mrs Hemming and without you, the parents, and your support!

Working together as partners in the education of your child.

OUR ASSEMBLY AND PLAYGROUND AWARD WINNERS

Rudi Schwartz and Bridgette Muldoon are congratulated for their achievements throughout the week. They both received a prize to thank them for the way they care for and help others.

OUR WINNERS OF THE CLASS SHIELD

Congratulations to 3/4S who are the winners of this week's class shield. Students are congratulated for treating others as they would like to be treated. Abbie Webb and Nikki Browne accepted the shield on behalf of 3/4S.

OUR PUBLIC SPEAKERS

On the 26th of May, we went to Kinross Wolaroi to represent our school in Public Speaking. When we arrived, we were split into separate rooms because we were in different age groups. We listened to others speaking and when it was our turn, we stood at the front and delivered our speeches.

It was exciting as we'd been chosen to compete at the CWA public speaking and we had written our own speeches. It was also very frightening and nerve racking to stand in front of so many people.

Although we weren't placed in the first 4, we felt we did very well and were proud of ourselves to have made it this far.

At the end of the competition Loukia was approached by one of the judges who told her she was 1 point off achieving a Highly Commended – a great achievement!
