Principals Report

iLearn

The iLearn program is an excellent opportunity for our Year 6 students to participate in learning in the High School setting. We are most fortunate to have a strong partnership with our High School and its transition program which prepares our students for the following year.

David Peachy Shield

Our team which competed in the David Peachy Shield last Tuesday had an amazing day of competition. They played 10 games and only lost 2 of these. Unfortunately they didn't qualify for the finals as the teams which faced each other were undefeated throughout the day. I have

heard stories of 2 students who were outstanding on the day and I thank both Rani Johnson and Michael Mosley for giving 150%! Thank you to all students for your outstanding behaviour and sportsmanship.

Winter is Here!

Thank you to all parents for ensuring your children are dressed appropriately for the frosty, cold mornings that heralded the start of winter last week.

A reminder to please label your child's clothing and belongings: we have a growing number of jumpers in our lost property which are without a name.

As the cold weather hits, so do the winter bugs. It's often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety's sake, if your child seems unwell you should always keep them home from school and seek medical advice.

School A to Z and NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser www.bit.ly/1hytn2E

If you do need to keep your child at home due to ill health, don't forget to send in a note explaining their absence ASAP.

Class Shield

This week, we continue to encourage children to **arrive on time**. This can be done by:

- Listening to the bell and lining up quickly
- Returning to class quickly
- Arriving at school between 8:30 and 9am.

PRINCIPALS RECOGNITION

I would like to recognise Mrs Emma Jolley for the large number of extra-curricular activities she has organised and supported. She is always willing to step forward with a smile on her face and offer her time to ensure our children are offered a wide range of sporting activities as well as being involved in programs such as iLearn.

I also thank Mrs Shaw and Mr Akroyd for their months of training and preparation of students for the David Peachy Shield last Tuesday. I appreciate the time they gave to the team and know they were well trained and well prepared for the competition.

Working together as partners in the education of your child.
