PRINCIPAL'S REPORT

Welcome Back

I hope everyone has had a fantastic spring break and is ready for another term of learning. It was wonderful to see the children yesterday and I congratulate them for being so settled and ready for Term 4!

School Uniform Review

Over the past 3 terms, we have been in consultation with the school community regarding a review of our school uniform. We have collated your thoughts and ideas and are preparing a ballot paper which will be sent to all families tomorrow. It is important that you look at the options, mark your preference in each row and return it the school by Friday, 21st October. We will also be displaying the options in the school foyer and we encourage you to come and have a look as well as completing your ballot paper.

Banner Painting Project

At the end of Term 3, I accompanied Jhye, Isaac, Laylah and Caiden to work alongside students from 3 other schools to create banners which will be hung at Bathurst Base Hospital. In total, our Bathurst schools painted 4 banners depicting different services provided to Aboriginal people through the hospital. It was a great morning and I enjoyed working with the children to help create a fantastic banner which will look amazing when hung!

PRINCIPALS RECOGNITION

I thank Mrs Cross and her band of hard working SRC for their organisation of the Crazy Hair Day. I thank the staff and children for getting into the spirit, having really crazy hair and raising a fantastic \$244 for Angel Flight. It was a lovely positive way to end the term!

Stepping Stones Triple P Parenting Seminars Series

Is this you?

Most of the time, you know you are doing a good job with parenting. But there are times when things get a little tricky. Like when your toddler won't eat her dinner. Or your six year old won't share his toys. If only someone could give you some ideas to make those times easier! If this sounds like you, then a Stepping Stones Triple P seminar may be right for you.

What is a Stepping Stones Seminar?

Stepping Stones Triple P seminars tackle the most common issues for parents of children with a disability. Seminars are for large groups of parents – possibly 20 or more. It's an informal presentation, a little like a public forum. There are three seminars that each last 90 minutes and cover a different topic. We encourage parents to try to attend all three.

Wednesday 12th October 9.30am – 11.00am
Seminar 2 – Helping Your Child Reach Their Potential

Seminar 3 – Changing Problem Behaviour into Positive Behaviour
Wednesday 12th October 1p.m – 2.30p.m
- Where:** Bathurst Early Childhood Intervention Service
1439 Charles Sturt University, Panorama Ave, Bathurst
Light Lunch provided.
- Cost:** FREE as part of a research project
