PRINCIPAL'S REPORT

Where has the term gone to? It has absolutely flown past! We've had many highlights this term which include:

- starting 35 lovely kinder children at RPS
- having the numbers to establish an 11th class
- an amazing fete organised by an incredible group of parents which raised funds to help support our children at RPS
- another successful Book Fair and Grandparents Day which saw great grandparents, grandparents and parents attend. From the proceeds we have been able to purchase many additional resources for our library
- our swim team shining in the pool
- seeing so many community members join us for our Easter Hat parade and to join their children for the chicken dance
- holding parent meetings with parents to discuss the way in which we can continue to work in partnership to support their children
- our school leaders attending the Leadership Conference in Sydney
- our district sporting representatives

PRINCIPALS RECOGNITION

I would like to thank staff, students and parents for all they have done to help make this a successful term of learning. I have particularly appreciated the way staff members have worked together to organise and take part in so many events. I have enjoyed the way in which parents have joined us and participated, as well as continuing to meet with teachers to discuss their children's growth and progress.

Working together as partners in the education of your child.
