Week 10 Term 2 2016

## NEWSLETTER

Tuesday, 28<sup>th</sup> June 2016

### PRINCIPAL'S REPORT

#### Week 10 Assembly

Because of the BDO, there will be no whole school assembly this week.

#### P&C Meeting

Thank you to those parents who were able to attend last week's P&C meeting where Peter Sutton spoke about our Facebook page and was available to answer questions from the floor. The conversation was robust and Peter was able to address a number of questions and concerns. I do thank everyone for their respectful conversations and contributions to the discussion.

#### Permission to Publish and Online Services 2016 Snow and Flood Procedures forms

Thank you to those parents who have returned these forms. It is of the utmost importance that these are completed and returned so we are aware of whether we can publish your child's photograph and what we need to do should there be road closures due to snow and flood. If you haven't returned them, please do so ASAP.

#### P&C Uniform Review Survey

As you are aware, our P&C are currently in the process of reviewing our school uniform. Thanks to all parents and students who completed the survey and returned it to school. Your responses are currently being collated.

#### 2017 Kindergarten

A reminder we are currently taking the details of children who are starting Kindergarten in 2017. If you have a child who is 5 or turning 5 before June next year, or if you know of any families within our school 'zone' who are yet to enrol their child, please contact the school. Information about our Transition program will be sent to parents and communicated via the school newsletter and Facebook next term.

I hope everyone has a wonderful break. For those travelling to a place warmer than Bathurst, enjoy! For those staying, keep warm and dry and we look forward to working with you again in Term 3.

### PRINCIPALS RECOGNITION

I would like to thank and recognise staff, students and parents for their hard work and cooperation this term. It has been a very busy and productive term and I appreciate everyone's contributions.

*Working together as partners in the  
education of your child.

## ASSEMBLY AWARDS

The following children will be presented with their Striving Higher Awards at our first assembly Term 3, Friday 22<sup>nd</sup> July.

### 5 Awards

### Girls and Boys PSSA Touch Footie

This past week saw both our girls and boys touch teams play their first match of the year, and what top quality games they were! The girls weathered rain and mud to 'slide' into the next round with a 3-1 win. The boys had a nail biter on their hands....as the game went into extra time because of a tied score, and players were removed off the field until it was a game of 3 against 3! Luckily, the try line beckoned to us, resulting in a 3-2 win. Watch this space for news about our next games!

Last Wednesday, the boys Touch Football team played Bathurst South at St Stanislaus College. We had a really good start as we worked hard as a team, sharing the ball around and spreading it across the field. Because of this, we scored the first try within 10 minutes! In the second half, the opposition played a much stronger game and we found it harder to keep up with them. They scored a second try to equal the scores. We had to go to golden point and the game continued until there were only 3 aside left on the field. It was at this point that Raglan scored a try. We were in the lead and won the game!

## P&C NEWS

### P&C Pie Drive

Thank you to everyone who supported our Pie Drive, we raised \$504.70. This money will be used to purchase resources for the students.

### Cake Stall

The P&C needs your help please. We are seeking donations of cakes, biscuits or baked goods to sell at the cake stall on Saturday 2<sup>nd</sup> July on Election Day. Donations can be dropped at the Library on Friday 1<sup>st</sup> July. If you are able to help man the stall on the day please call Amy on 0413 510 408.

### Lost Property

We are gathering a lot of Lost Property items which are located in the school foyer. If your child is missing an item of clothing, come and check to see if any of their belongings have been placed in the tubs. Most of these items don't have names on them which makes it extremely hard to return them to their owners.

## PJs Brighten Up Our School and the Lives of Animals

Our school was transformed today into a sea of colour and creatures! Students and staff came dressed as bears, tigers, zebras, cows and there were a few superheroes as well. All creatures great and small raised \$273 to provide funds for a very worthy organisation, WIRES. It was a great day of colour and learning!
